

# PHOTOGRAPHY POLICY

## STOREYLAND CHRISTMAS TREE FARM

Our customers are welcome to take photos of their farm experience!

We actually encourage this! Every year, we have a photo raffle where 3 families can win a \$25.00 gift certificate for their tree the following year. Just tag our farm on Facebook or Instagram (or both!) in order to be entered.

We work very hard to make sure that Storeyland remains picturesque by mowing our fields, trimming our trees, and doing other routine maintenance. We ask that all customers take care to preserve the natural beauty that the farm offers. This includes discarding of trash and recyclables in provided containers.

### Professional Photography

Storeyland welcomes both professional and amateur photographers to use our picturesque location for holiday photo sessions. We ask that all photographers interested in sessions at our farm call ahead to schedule a time that works with both your and our schedules. We will provide hourly time slots that can be booked at a very reasonable rate. The provided release form must be completed prior to your visit. Certificate of liability insurance must also be provided, listing Storeyland, Inc.

### 2021 Session Rates:

Sessions prior to November 25:

\$25.00/hour weekdays

\$35.00/hour weekends

Sessions November 25 - December 19:

\$40.00/hour weekdays

Weekend sessions are not available after November 24.
